

*To whom it may concern:*

*I have to thanks captain Vik and mate Diego of Deliveryachts team for the help to delivery my Transpac 54 from Las Palmas to Salvador the Bahia last January and February 2014 covering c.ca 3700 nautical miles through the Atlantic Ocean.*

*They did a great job on board as for steering sailing cooking fishing and watch keeper during the long ocean passage to Brazil and all time cheerful and energetic team really a pleasure sailing with this guys.*

*I'm highly recommended Vik and Diego of Deliveryachts service to any alike needing yacht's owner because I would certainly call 'em in the future whenever I'd need to move my boat again.*

*Sincerely, Vincente Veen*
